Designer Series **Shower Ponchos**

Designer Series Shower Ponchos were developed to offer facilities a stylish, cost-effective alternative for providing patient modesty comfort and warmth during transfers to and from the shower, hydrotherapy, hair styling, etc. Manufactured from a thick poly/cotton blend that is durable for the facility, yet comfortable for the resident. Available in a choice of colors in two sizes:

Standard - fits most average sized residents (up to 6' 1", and/or up to 250 lbs.)

Bariatric - fits bariatric or very tall residents (over 6' 1", and/or over 250 lbs.)

Designer Series Shower Ponchos feature a clean, white-edged trim and are durable and machine washable. This product is not flame retardant. Sold by the each.
