Ameripad Wheelchair Footrest/ Legrest Hook Cover

NEW!

Ameripad wheelchair footrest/legrest hook cover provides padded cover for exposed wheelchair footrest/legrest hooks for patients who self-propel with their feet. Provides cost-effective help to reduce accidental bruising and injury to legs and calves from exposed legrest hooks. Manufactured with high density interior foam padding and attractive, heavy duty blue vinyl exterior. Easily wipes clean with soap & water or disinfectant. Includes full length hook & loop closure strip to help keep pad securely in place. Sold by the pair.
